Glass Jug

Empowering With Precision

Designer of this series:
Simon Stevens

Simon Stevens is an award winning product designer and a driving force in ceramic design. Simon has worked with some of World's most prestigious ceramic manufacturers and has taught and lectured on the subject throughout the UK. He has headed up Design Teams for lifestyle brands and now continues his design career in the established Simon Stevens Design Studio based in London. Simon's dynamic creativity resulted in his most successful designs being in the permanent collections of the Victoria & Albert Museum and the Frankfurt Museum of Applied Art.

About this collection:

Introducing our range of glass jugs, designed to complement the rest of our collection. Made from Boro-silicate Glass, these jugs are heat proof and extra-thick for your safety and convenience. Not only that, but they also retain heat exceptionally well, ensuring your drinks stay warm for longer.

With 5 unique shapes to choose from, our jugs are perfect for any style or interior. Each jug can hold up to 500ml, providing an honest 2 cups of your favorite beverage. Whether you're using our drippers, dripper stand, or other brands of drippers, our jugs are the perfect accompaniment. They also work seamlessly with Aeropress, making them a versatile addition to your kitchen.

At Loveramics, we understand the importance of quality and functionality in your kitchenware. That's why our glass jugs are not only aesthetically pleasing, but also designed to enhance your brewing experience. So why settle for ordinary jugs when you can elevate your coffee or tea ritual with our range of glass jugs? Trust us, you won't be disappointed.
