Tasting Cup and Jug
Elevate Your Coffee Experience

Designer of this series:

Simon Stevens

Simon Stevens is an award winning product designer and a driving force in ceramic design. Simon has worked with some of World's most prestigious ceramic manufacturers and has taught and lectured on the subject throughout the UK. He has headed up Design Teams for lifestyle brands and now continues his design career in the established Simon Stevens Design Studio based in London. Simon's dynamic creativity resulted in his most successful designs being in the permanent collections of the Victoria & Albert Museum and the Frankfurt Museum of Applied Art.

About this collection:

At Loveramics, our goal is to enhance your drinking experience and offer practical solutions for everyday life. Our "Brewers" offers a variety of experiences for enjoying your specialty coffee. We believe this collection provides the ultimate brewing experience, with its unique aesthetics and ability to cater to different tastes.

Our simple, straight-sided jugs are crafted with artistic glazes and are designed to work perfectly with our current drippers. With a capacity to hold 2 cups of coffee, these jugs are perfect for sharing a delicious brew with a loved one or enjoying a second cup for yourself. Additionally, our 150ml tasting cups are the ideal size for savoring a good cup of coffee from the jug twice, allowing you to fully appreciate the flavors and aromas of your specialty coffee.

At Loveramics, we are passionate about creating products that not only look beautiful but also enhance your daily rituals. Our "Brewers" is a testament to our commitment to providing the best possible drinking experience for our customers. So why settle for a mediocre cup of coffee when you can elevate your brewing game with Loveramics? Try our "Brewers" today and experience the perfect cup of specialty coffee.
