colour changing cupping bowl

As you can see they do change differently, you know the sequence without having too many timers. You won't miss the chance to cup at high temp as it will turn grey. Organising staff will always remember to renew the session when its over."

- To follow the SCA standards, available in 2 shapes.
- Make the cupping session more interesting.
- Black interior for blind tasting.
- Classic Loveramics uber durable body and standardized capacity. (200ml /6.5oz and 220ml /7.5oz)
