Scandi

Effortless Elegance

Designer of this series:

Simon Stevens

Simon Stevens is an award winning product designer and a driving force in ceramic design. Simon has worked with some of World's most prestigious ceramic manufacturers and has taught and lectured on the subject throughout the UK. He has headed up Design Teams for lifestyle brands and now continues his design career in the established Simon Stevens Design Studio based in London. Simon's dynamic creativity resulted in his most successful designs being in the permanent collections of the Victoria & Albert Museum and the Frankfurt Museum of Applied Art.

About this collection:

Drawing inspiration from the clean and minimalist aesthetics of Nordic design, the Scandi collection epitomizes simplicity and functionality. Designed by the renowned Simon Stevens, these stepped cups reflect the essence of Scandinavian style through their thoughtful design and craftsmanship.

Each cup is meticulously crafted with a half-glazed body in a beautiful Ivory Glaze, showcasing the artistry and quality of ceramics. The unique stepped design not only adds visual interest but also enhances the tactile experience. Used in nature inspired restaurants and cafes, these artisanal cups bring a touch of elegance to any dining setting.

Practicality meets elegance in the Scandi collection. Available in 120ml and 200ml sizes, these handle-less cups are fully stackable, making them an ideal choice for both home and professional use. Elevate your coffee rituals with the refined beauty and Nordic-inspired design of the Scandi collection.
