Mixology Meets Design

Designer of this series:

Simon Stevens

Simon Stevens is an award winning product designer and a driving force in ceramic design. Simon has worked with some of World's most prestigious ceramic manufacturers and has taught and lectured on the subject throughout the UK. He has headed up Design Teams for lifestyle brands and now continues his design career in the established Simon Stevens Design Studio based in London. Simon's dynamic creativity resulted in his most successful designs being in the permanent collections of the Victoria & Albert Museum and the Frankfurt Museum of Applied Art.

About this collection:

Introducing the versatile and modern glass collection from Loveramics, crafted from high-quality lead-free crystal glass. This everyday range is perfect for all types of wine and cocktails, offering both elegance and practicality. We believe that quality should never be compromised, even in casual settings, and this collection is a true reflection of that philosophy.

The wine glasses are available in two shapes to complement your personal style. The straight-sided version offers a minimalist, contemporary look, while the flared design enhances the floral and aromatic notes of your wine. For cocktail lovers, we've included a selection of sleek cocktail glasses, designed to elevate both classic and creative concoctions. Whether you're hosting a professional event, enjoying a family dinner, or mixing up your favorite drink, these glasses are the perfect choice for any occasion.

The range also features a modern carafe, designed to hold half a bottle of wine. This versatile piece is ideal for both day and night use—perfect for savoring a morning drip coffee or serving evening wine. Enhance your drinking experience with the contemporary and stylish glasses and accessories from Loveramics.
